# MATRAMATIC QUILTER

Computer controlled mattress quilting machine

The Matramatic Quilter offers mattress manufacturers the advantage high speed heavy duty stitching coupled with Computer Control ensuring simple operation. The Matramatic offers one main advantage over many of its rivals - the ability to quilt many of today natural fibres which can't be quilted on traditional through feed quilters. Materials such as Latex, Wool, Horse Hair, Cashmere etc. can all be quilted with ease. Infinite machine pattern storage capacity combined with simple pattern selection via touch screen display complete the Matramatic.

*Various quilting options*
