iQuilt Mini

Mini Multi-Needle Chain Stitch Border Quilting Machine

The iQuilt Mini is the perfect machine for any company which wants to quilt borders or any quilting operation up to a width of 508mm. Ideal if you do not have capacity for a full width quilting system. The iQuilt Mini is ideally suited to companies which are outsourcing their quilting to contract quilters. With all the features of our iQuilt it offers you a low cost border quilting alternative to outsourcing and can quilt two 10" borders at the same time.
